TERMS & CONDITIONS

The following terms govern all Discipline 01 — Music Production & Recording engagements, together with the general terms below. Full terms are provided with every booking confirmation.

Discipline-Specific Terms

Studio Sessions

Studio recording is booked in minimum 2-hour blocks and includes a senior engineer. Sessions starting late due to client delay run to the originally scheduled end time.

Live & Location Recording

Live Music Recording & Production covers the full chain: on-location multi-track capture, studio editing and overdubs, mixing, and final master. Travel, accommodation, and logistics for location work are billed at cost plus 20%.

Beats & Instrumentals

Beat/instrumental leases are non-exclusive and governed by the terms of the issued license. Exclusive purchases transfer the agreed rights on full payment; the producer retains the right to be credited.

Production Splits

Full Production involving original composition or arrangement may include a production point and publishing split, agreed via a Split Sheet signed before work begins.

Ownership

On full payment, the client owns the master recording. Stems and session files are archived for 90 days; long-term backup is the client's responsibility.

General Terms

Booking & Deposits

A 50% non-refundable deposit secures any date or remote project. Balance due before delivery of final files. We accept M-Pesa, card, bank transfer, and crypto / USDT.

Booking Hours

Bookings and confirmations are processed Tuesdays and Thursdays, 9:00am–1:00pm EAT. Requests submitted outside these windows are confirmed in the next available slot.

Priority & Rush Access

Expedited bookings outside the standard confirmation windows carry a +25% priority uplift on the applicable service rate. Priority bookings receive a personal response within 24 hours, any day of the week, for all disciplines and artist engagements. The priority uplift is invoiced separately and is due alongside the 50% booking deposit.

Credits

Clients credit "Desmond 'Sire' Bosire" on all releases, campaigns, and media, while allowing cross-tagging and co-marketing for mutual growth.

Currency

Dual-currency rates are indicative at KES 130 = USD 1.00. USD invoices are issued at the prevailing rate on the invoice date. Reviewed annually.

Founding Client Offer

The first 50 bookings receive 15% off and priority scheduling, applicable across all disciplines.
