TERMS & CONDITIONS

The following terms govern all Discipline 04 — Live Sound, Systems & Studio Design engagements, together with the general terms below. Full terms are provided with every booking confirmation.

Discipline-Specific Terms

Event Engineering

Live engineering day rates cover a single performance day of up to 12 hours including setup and soundcheck. Multi-day events and tours are quoted per schedule. Standby and travel days are billable.

Equipment & Backline

PA, backline, and equipment are brokered at cost plus 20% where not owned. The client is responsible for venue power, rigging permissions, and safe working conditions.

Installation & Design

Installation consulting covers design, specification, and commissioning only. Hardware, construction, cabling, and materials are billed at cost through preferred suppliers and are not included in consulting fees.

Commissioning Sign-Off

Installed systems are formally commissioned and signed off against the agreed specification. Post-sign-off modifications requested by the client are billed separately.

Maintenance Retainers

Venue maintenance retainers are billed monthly and cover scheduled servicing and remote support. Emergency call-outs outside scope are billed at the prevailing day rate.

Liability

Godwill Global Group is not liable for damage to third-party or client-owned equipment arising from pre-existing faults, inadequate venue power, or misuse outside delivered specifications.

General Terms

Booking & Deposits

A 50% non-refundable deposit secures any date or remote project. Balance due before delivery of final files. We accept M-Pesa, card, bank transfer, and crypto / USDT.

Booking Hours

Bookings and confirmations are processed Tuesdays and Thursdays, 9:00am–1:00pm EAT. Requests submitted outside these windows are confirmed in the next available slot.

Priority & Rush Access

Expedited bookings outside the standard confirmation windows carry a +25% priority uplift on the applicable service rate. Priority bookings receive a personal response within 24 hours, any day of the week, for all disciplines and artist engagements. The priority uplift is invoiced separately and is due alongside the 50% booking deposit.

Credits

Clients credit “Desmond ‘Sire’ Bosire” on all releases, campaigns, and media, while allowing cross-tagging and co-marketing for mutual growth.

Currency

Dual-currency rates are indicative at KES 130 = USD 1.00. USD invoices are issued at the prevailing rate on the invoice date. Reviewed annually.

Founding Client Offer

The first 50 bookings receive 15% off and priority scheduling, applicable across all disciplines.
